Dear Bruce,

On behalf of the National Pollution Prevention Roundtable, we would like to recognize and thank you for your continuing work on pollution prevention and sustainability. You were nominated by your peers along with several other outstanding nominees, for this year's Most Valuable Pollution Prevention (MVP2) awards P2 Champion category. You have received an Honorable Mention for the 2010 MVP2 awards. Enclosed is a certificate to commemorate this achievement.

As an active member of the pollution prevention community in both Canada and globally you have been instrumental in reaching across borders to share knowledge and spread pollution prevention.

Thank you for your continued commitment to pollution prevention and sustainability.

Sincerely,

A handwritten signature in cursive script that reads 'Jeffrey Burke'.
